CH94 2.5" Portable HDD

New Arrival

Capacity 250GB 320GB 500GB 640GB

[Description](#) [Features](#) [Requirement](#) [Order Info.](#)

DESCRIPTION

With the thickness just less than 20mm and the built-in wrap-around USB cable, A-DATA CH94 Portable HDD is compactly designed to fit in the pocket, making it a great companion for users who need be constantly on the go.

Personalize, Accessorize, Make It One and Only

CH94 is also the ideal external storage device for users who are keen to express their unique individuality. Users are free to personalize their own drives with self-adhesive English character stickers that come with the hard drive. The smooth surface allows users to decorate the drive with their original creativity.

CH94 is offered in a variety of colors with a full range of capacities up to 640GB. It supports all the latest operating systems via a simple plug-and-play, high-speed USB 2.0 interface with no compatibility issue. Users of A-DATA portable HDD can also download value-add software HDDtoGO, OStoGO (no registration required), and Norton Internet Security 2010 (60-day trial) free and enjoy enhanced mobility and security with just few mouse clicks away. All A-DATA portable HDD come with 3-year product warranty.
